Dear Grand Secretary,

**RE: AUSTRALIAN BUSHFIRE DISASTER RELIEF FUND – GRAND ORANGE LODGE OF AUSTRALIA**

The devastating and relentless Bush Fires across Australia, which have been unprecedented in their fury and longevity, have brought death and destruction to so many people. We are all praying for an end to this catastrophe with the hope that the desperately need rains will arrive soon.

The loss of lives, homes, animals and livelihoods of many Australians has been horrendous and unfortunately, as I write this, it is still ongoing in many regions. I am heartened by the concerns and prayers offered by many of our World Orange Family and will relay these to all across Australia.

There have been many relief funds established by many organisations in Australia to assist the fire-fighters and local communities with our State Lodges and local members contributing and assisting their local areas. The Grand Orange Lodge of Australia has established a Disaster Relief Fund, which will be used to assist and aid directly those in need. For any Jurisdiction who may wish to assist donations can be sent to the following Bank Account and be gratefully received, Thank You.
